Anne Massard

Inside Bovine Sales Specialist
Fort Wayne, IN

Hello,

My name is Anne Massard and I am excited to be working with you as your Inside Sales Representative with Midwest Veterinary Supply! At **Midwest Veterinary Supply**, we know that clinics are run by real people with unique needs. We work with you to create practical solutions that relieve the challenges of running a veterinary practice. I am extremely proud to be your trusted, knowledgeable resource as your dedicated Inside Bovine Sales Specialist.

I was born and raised in Florida, where I grew up fishing, surfing, catching lizards and snakes, and riding horses. I was deeply involved in showing Hunter and Jumper horses for many years, a passion that continued well into adulthood. One summer, I took a break from showing to work on a large "dude" ranch in central Florida. It was there that I was introduced to the care and management of various species of livestock. We had several breeds of cattle, as well as bison, goats, deer, and more. In January 2008, I moved to Indiana to be closer to family and complete my education. Over the years, I was fortunate to gain valuable experience in several areas of agriculture. I spent many years assisting on a mid-sized family dairy farm and loved every minute of it! I graduated from the Vet Tech Institute of Fort Wayne in the summer of 2011. After graduation, I owned and operated a boarding barn and ran a lesson program for nearly eight years before returning to veterinary medicine. My career path led me to the Tri-State area of northeastern Kentucky, where I spent five and a half years working in a large general practice clinic, focusing primarily on surgery. In March 2025, I returned to Indiana and proudly joined the Midwest team. I now reside in Fort Wayne with my sweet little dog, Whinny, and a collection of crested geckos. I'm thrilled to be back in Indiana, surrounded by incredible people and the opportunity to support so many wonderful clients.

I look forward to our partnership and being a valued resource for you and your practice. Please feel free to contact me with any questions!

Sincerely,

Anne Massard
