**Eric Dunn**

Outside Bovine Sales Associate  
MO

**Hello,**

My name is Eric Dunn and I am excited to be working with you as your Outside Sales Representative with Midwest Veterinary Supply! At **Midwest Veterinary Supply**, we know that clinics are run by real people with unique needs. We work with you to create practical solutions that relieve the challenges of running a veterinary practice. I am extremely proud to be your trusted, knowledgeable resource as your dedicated Outside Bovine Sales Associate.

I grew up on a busy Hereford ranch, where my passion and understanding of the cattle business were shaped by three generations before me. My education began long before college—with 500 cows as my daily classroom. I loved watching calves grow, showing cattle, we raised, marketing seed stock, judging, and most importantly, focusing on herd health. I was active in both 4-H and FFA, as were all three of our kids. Whether it was showing steers or Jack Russell Terriers, those experiences taught us a lot about dedication and community. After earning my B.S. in Animal Science from Truman State University, I returned to the ranch before moving into sales—first with Corral and Lucchese Boots (I still wear boots every day!) and now proudly with Midwest Veterinary Supply. At home, my wife and I have four Jack Russells—Haywire, Zip, Cosmo, and Izzy—plus two Clydesdales, Jake and Roger (each tipping the scales at over a ton), and a few loyal barn cats. Our children are all grown up with lives of their own. At Midwest Vet, we believe it takes a village for success. As a family-owned company, we're dedicated to supporting our customers through training, education, and quality products. We also stand by our commitment to our veterans by not selling direct.

I look forward to our partnership and being a valued resource for you and your practice. Please feel free to contact me with any questions!

**Sincerely,**  
**Eric Dunn**
