Julie Callaghan

Outside Bovine Sales Associate
NY

Hello,

My name is Julie Callaghan and I am excited to be working with you as your Outside Sales Representative with Midwest Veterinary Supply! At **Midwest Veterinary Supply**, we know that clinics are run by real people with unique needs. We work with you to create practical solutions that relieve the challenges of running a veterinary practice. I am extremely proud to be your trusted, knowledgeable resource as your dedicated Outside Bovine Sales Associate.

I've been with Midwest Veterinary Supply for nearly 19 years. Many of those years have been devoted to Companion Animal, but over the past 8–9 years, I've also focused a significant portion of my time on Food Animal. I make it a priority to visit my large animal accounts monthly to stay connected and informed about what's happening with them and within the industry. One of my favorite parts of the job is meeting with my large animal clients, often at their homes, where I get to know their families and kids. I also enjoy attending the BBQ events hosted by some of my farm veterinarians—it's a great way to meet their friends, farmers, and families. Being a Large Animal Representative is truly about building relationships and being part of a community, which I absolutely love. When I'm not out in the field, I enjoy hiking and snowmobiling with my husband and our two sons, and spending time with our pets—two dogs, Max and Dale, and two cats, Angel and Midgy.

I look forward to our partnership and being a valued resource for you and your practice. Please feel free to contact me with any questions!

Sincerely,
Julie Callaghan
