Inside Bovine Sales Specialist
TX Branch

Hello,

My name is Kameron Clements and I am excited to be working with you as your Inside Sales Representative with Midwest Veterinary Supply! At **Midwest Veterinary Supply**, we know that clinics are run by real people with unique needs. We work with you to create practical solutions that relieve the challenges of running a veterinary practice. I am extremely proud to be your trusted, knowledgeable resource as your dedicated Inside Bovine Sales Specialist.

I've been with Midwest Veterinary Supply for over 9 years and currently serve as a Large Animal Specialist, a role I've proudly held for nearly 2 years. My experience has allowed me to build strong relationships with veterinary professionals and understand the unique demands of large animal practices. I'm passionate about helping clinics find effective solutions that support both their business and animal care goals. Whether it's sourcing the right products or offering guidance, I'm here to be a reliable and knowledgeable partner for your practice.

I look forward to our partnership and being a valued resource for you and your practice. Please feel free to contact me with any questions!

Sincerely,

Kameron Clements
