Tom McGrady

Outside Bovine Sales Associate
VA

Hello,

My name is Tom McGrady and I am excited to be working with you as your Outside Sales Representative with Midwest Veterinary Supply! At **Midwest Veterinary Supply**, we know that clinics are run by real people with unique needs. We work with you to create practical solutions that relieve the challenges of running a veterinary practice. I am extremely proud to be your trusted, knowledgeable resource as your dedicated Outside Bovine Sales Associate.

I have been with Midwest for the past 16 years and am the large animal specialist in my region. Prior to getting into the sales side of the veterinary industry, I worked at a high volume, 5-6 doctor, large mixed animal practice for 15+ years and an equine/small animal practice when I first graduated vet tech school at 19 years old. Being an LVT for over 40 years and working in both sides of the industry, I feel has given me a world of varying experiences. I am happy to assist you with your practice to maximize efficiency and help with whatever your needs may be. I look forward to meeting you & your team to develop a partnership plan for success for both of us.

I look forward to our partnership and being a valued resource for you and your practice. Please feel free to contact me with any questions!

Sincerely,

Tom McGrady
