Inside Sales Equine Specialist  
Wisconsin Branch

Hello,

**Midwest Veterinary Supply** was built on the philosophy of hard work, understanding industry trends, and our customer's needs. We pride ourselves on providing exceptional service, innovative business solutions, and a complete portfolio to support your clinic's success. I am extremely proud to be working for this family-owned Veterinary business as your dedicated Inside Sales Team Lead.

My background includes a degree in Veterinary Technology, specializing in dentistry, with 16 years of experience. During this time, I was the Director of a small animal dental specialty practice. Outside of work, my life has always been centered around all things equine. I started riding and showing at a young age and have had horses my entire life.

I look forward to our partnership and being a valued resource for you and your practice. Please feel free to contact me with any questions!

Sincerely,

**Kayla Allar, CVT**
