

Hello,

My name is Lexie Dollison and I am excited to be working with you as your Inside Sales Equine Specialist with Midwest Veterinary Supply. Midwest is a full-line, family and employee-owned veterinary supply distributor and has been part of the veterinary industry since 1961. We pride ourselves in offering excellent customer service, competitive pricing, knowledgeable staff and easy to use practice solutions. I grew up on a small farm in South Central Iowa, raising and showing horses, cattle, swine, and poultry. After graduating from Iowa State University with a bachelor's degree in Animal Science/Pre-Vet, I worked in a small animal practice setting for over 9 years.

I have worked with Midwest Veterinary Supply as an Inside Sales Representative since February of 2021. I have gained a vast amount of knowledge into the Equine Industry during my time here and look forward to serving as a resource for your business!

Please feel free to reach out to me directly or via email as listed below. I am grateful to be working with you and look forward to growing business together in the Midwest.

Sincerely,

Alexandria (Lexie) Dollison
