

**Hello,**

My name is Renee Noah and I wanted to introduce myself as your new equine specialist at Midwest Veterinary Supply. I have been involved with horses since I was a child. Breeding and raising quarter horses and paints has been my passion for most of my adult life. I have worked in the equine and veterinary industry for the last 35 years and could not imagine a better industry to be a part of. I look forward to partnering with you to assist you with your veterinary needs.

Midwest Veterinary Supply is celebrating our 60th year of business and is family-owned and operated. We understand what it takes to nurture and grow a business and offer value-added services to support you in achieving your practice goals. I look forward to providing you with tailored, exceptional customer service and helping you grow the revenue in your practice.

Please feel free to reach out to me directly on my cell or email listed below. I look forward to hearing from you soon.

*Sincerely,*

**Renee Noah**
