Alanna Ralph

Inside Bovine Sales Specialist
AL Branch

Hello,

My name is Alanna Ralph and I am excited to be working with you as your Inside Sales Representative with Midwest Veterinary Supply! At **Midwest Veterinary Supply**, we know that clinics are run by real people with unique needs. We work with you to create practical solutions that relieve the challenges of running a veterinary practice. I am extremely proud to be your trusted, knowledgeable resource as your dedicated Inside Bovine Sales Specialist.

Born and raised in Sweet Home Alabama, I bring Southern hospitality, heart, and hard work into everything I do. With a master's degree in Rehabilitation Counseling and a professional background in veterinary sales, I've built my career around helping people and animals alike. I'm passionate about building strong relationships with veterinary teams and delivering tailored product solutions that support better care and customer satisfaction. Faith and community are important parts of my life. I have an active church life and work organizing collections for the homeless. I enjoy reading books, going to the movies and escaping to the mountains.

I look forward to our partnership and being a valued resource for you and your practice. Please feel free to contact me with any questions!

Sincerely,

Alanna Ralph
