**Hello,**

My name is Bill Doig and I am excited to be working with you as your Outside Sales Representative with Midwest Veterinary Supply! At **Midwest Veterinary Supply**, we know that clinics are run by real people with unique needs. We work with you to create practical solutions that relieve the challenges of running a veterinary practice. I am extremely proud to be your trusted, knowledgeable resource as your dedicated Outside Bovine Sales Associate.

I grew up on a 3rd generation registered cow-calf operation. I received my Bachelor's in Animal Science from Purdue University and my Masters of Science in Ruminant Nutrition from the University of Kentucky. I then worked for 9 years as a Livestock Specialist/Nutritionist in Academic Extension. I now am in my 11<sup>th</sup> year with Midwest Veterinary Supply, and my children serve as the 4th generation to continue our cow-calf operation raising show cattle and freezer beef.

I look forward to our partnership and being a valued resource for you and your practice. Please feel free to contact me with any questions!

**Sincerely,**

**Bill Doig**
