Outside Bovine Sales Associate  
IA

**Hello,**

My name is Cory Hughes and I am excited to be working with you as your Outside Sales Representative with Midwest Veterinary Supply! At **Midwest Veterinary Supply**, we know that clinics are run by real people with unique needs. We work with you to create practical solutions that relieve the challenges of running a veterinary practice. I am extremely proud to be your trusted, knowledgeable resource as your dedicated Outside Bovine Sales Associate.

I grew up on a family farm in NW Iowa, and I have been servicing the veterinary community for over 20 years. I started on the manufacturing side with Van Beek Natural Science, and I have now been on the distribution side with Midwest Vet Supply for the last 15 years. Working in the communities I grew up in and servicing the local veterinarian gives me great pride and purpose in my job. I continue to enjoy the relationships that have been built with people I can call friends.

I look forward to our partnership and being a valued resource for you and your practice. Please feel free to contact me with any questions!

Sincerely,

**Cory Hughes**
