Heidi Bollerud Hardyman

Outside Bovine Sales Associate
WI

Hello,

My name is Heidi Bollerud Hardyman and I am excited to be working with you as your Outside Sales Representative with Midwest Veterinary Supply! At **Midwest Veterinary Supply**, we know that clinics are run by real people with unique needs. We work with you to create practical solutions that relieve the challenges of running a veterinary practice. I am extremely proud to be your trusted, knowledgeable resource as your dedicated Outside Bovine Sales Associate.

I've been involved in animal health my entire life. I grew up on our family farm near Hollandale, WI, where we milked cows twice a day, baled small squares, and showed registered Holsteins. It was truly the best way to grow up. From an early age, my dad instilled in me the values of respect and a strong work ethic—lessons that continue to guide me every day. I wouldn't trade those experiences or the life skills they taught me for anything.

For nearly ten years, I've been part of the team at Midwest Veterinary Supply, following thirteen years with Nestlé Purina PetCare. My passion lies in helping veterinarians grow their businesses, building lasting relationships, and delivering exceptional customer service. That's what motivates me to go to work each day.

I look forward to our partnership and being a valued resource for you and your practice. Please feel free to contact me with any questions!

Sincerely,

Heidi Bollerud Hardyman
