Hello,

My name is Matt Gibbons and I am excited to be working with you as your Inside Sales Representative with Midwest Veterinary Supply! At **Midwest Veterinary Supply**, we know that clinics are run by real people with unique needs. We work with you to create practical solutions that relieve the challenges of running a veterinary practice. I am extremely proud to be your trusted, knowledgeable resource as your dedicated Inside Bovine Sales Specialist.

I have been with Midwest Veterinary Supply for 32 years in various roles, sales management, cattle specialist and inside sales. I live in Saint Charles, Iowa, with my wife, Darci, of 31 years. We have two daughters, two sons-in-law, and a new grandson. I enjoy being outside, biking, exercising and spending time with my family. My goal is to provide excellent customer service, up to date product knowledge and reliability. In doing so, I hope to help you maintain and grow your practice.

I look forward to our partnership and being a valued resource for you and your practice. Please feel free to contact me with any questions!

Sincerely,

Matt Gibbons
