Sarah Harnish

Inside Bovine Sales Specialist
PA Branch

Hello,

My name is Sarah Harnish and I am excited to be working with you as your Inside Sales Representative with Midwest Veterinary Supply! At **Midwest Veterinary Supply**, we know that clinics are run by real people with unique needs. We work with you to create practical solutions that relieve the challenges of running a veterinary practice. I am extremely proud to be your trusted, knowledgeable resource as your dedicated Inside Bovine Sales Specialist.

With a degree in Animal Science and over 40 years of experience in all facets of distribution, I bring deep industry knowledge and hands-on experience to every client interaction. For the past 20 years, I've been a dedicated member of the Midwest Vet team, focusing primarily on supporting large animal clinics. My extensive large animal background includes work with DHIA, as well as direct experience breeding and milking cows- giving me a unique understanding of the needs and challenges faced by veterinarians and their teams.

I look forward to our partnership and being a valued resource for you and your practice. Please feel free to contact me with any questions!

Sincerely,

Sarah Harnish
