Sue Lange

Inside Bovine Sales Specialist
Lakeville, MN

Hello,

My name is Sue Lange and I am excited to be working with you as your Inside Sales Representative with Midwest Veterinary Supply! At **Midwest Veterinary Supply**, we know that clinics are run by real people with unique needs. We work with you to create practical solutions that relieve the challenges of running a veterinary practice. I am extremely proud to be your trusted, knowledgeable resource as your dedicated Inside Bovine Sales Specialist.

After graduating from the University of Minnesota, I started my career as an intern at the London Zoo and when I returned home, I worked at a busy small animal practice for 15 years. From here, I chose to make the switch to Midwest Veterinary Supply as an Inside Sales Representative. Having an interest in the food animal side of our industry, I joined the Large Animal Team and now assist as a Large Animal Specialist. When I am not at work, I enjoy battling the weeds in my prairie grass garden and watching the wildlife it supports.

I look forward to our partnership and being a valued resource for you and your practice. Please feel free to contact me with any questions!

Sincerely,

Sue Lange
